

KINDLING SPLITTER

- Ideal for firewood and kindling
- Suitable for timber from 90 to 340 mm
- Kindling splitter made of robust and durable cast iron
- Lever length of 560 mm allows particularly easy and convenient splitting
- Particularly safe splitting because the splitting process is under control at all times, as opposed to when using an axe
- High-quality blade can be sharpened, 220 mm
- Easy wall mounting
- Ergonomic wooden handle for easy use
- Compact dimensions 135 x 85 x 590 mm
